Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Burr noted that the first action on the case which he received was based on the translation of the Japanese document claim received on 9/05/03 and not on the actual extant claims of 7/17/03. Therefore a consideration of the actual claims in the case, those of 7/17/03, is necessary. The examiner indicated he would send out an action on based on the actual claims of 7/17/03. The office regrets any inconvenience..

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
